DETAILED ACTION

Response to Amendment

Applicant's amendment filed 6/25/2004 is entered. Claims 20 and 23 are amended, and claims 22 and 25 cancelled. Claims 20-21 and 23-24 are pending.

Allowable Subject Matter

Claims 20-21 and 23-24 are allowed. The following is an examiner's statement of reasons for allowance:

There is not taught or disclosed in the prior art a sapphire monocrystal plate having the R and A planes configured as claimed, having a surface roughness as claimed, and having a microcrack line on the major face parallel to the R plane.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments

Applicant's arguments filed 6/25/2004 have been fully considered and they are persuasive. Particularly, the examiner is persuaded that the Nitta reference teaches away from the claimed invention and that the art of record fails to teach the limitations recited in the *Allowable Subject Matter* above.
